

OTHM Level 3 Foundation Diploma in Engineering

Qualification Number: 603/7030/0

Overview

The OTHM Level 3 Foundation Diploma in Engineering has been developed to allow learners to gain understanding and knowledge across a range of Engineering practices. The qualification enables learners to develop essential knowledge in areas such as engineering principles, design technology, electricity, mechanics, statistics and mathematics. Successful completion of this qualification will prepare learners for employment in the engineering sector or further learning.

Modules

- Engineering Principles (10 credits)
- Design Technology (10 credits)
- Electricity (10 credits)
- Mechanics (10 credits)
- Introducing Statistics (10 credits)
- Mathematics (10 credits)

Entry Requirements

- equivalent to GCE AS/A Levels.
- May also have relevant work experience
- Over the age of 16 years
- IELTS 4.5 or equivalent if English is not your native language

Assessment and Verification

All units within this qualification are internally assessed by the centre and externally verified by awarding organisation. There are no examinations in this course.

Course Material

Course materials, including presentations, hand-outs, assignment briefs and e-books are made available to enrolled learners. In addition to this, the learners will also receive the course handbook and tutorials via emails, in order to support the learning.

Online Learning

The learner sets their own pace for their learning and the courses are offered on an academic – year basis. Although our tutors encourage the learners to make progress monthly, this approach is flexible.

Progressions

Learners who achieve this qualification could progress into Level 4 courses or take admission into BTEC HND Engineering or bachelor's degree courses at the University.

Certification

The Diploma is issued by the OTHM - Awarding Organisation. UK Versity (DC1506132) is an accredited and approved delivery Centre for Qualification qualifications.

Key Facts

Awarding Body: OTHM Qualifications

Course Duration: 4 – 6 months

Method of study: Full or Part Time / Blended/ Distance Learning

Qualification Level: 3
