OTHM Level 6 Diploma in Information Technology
Qualification Number 603/3789/8

Overview

The OTHM Level 6 Diploma in Information Technology is designed to ensure that each learner is a confident, independent thinker with detailed knowledge of Information Technology, and equipped with the skills to adapt rapidly to change at a junior or middle management level and aspiring into higher management within their organisation or industry. The qualification is ideal for those who have started, or are planning to move into, a career in private or public-sector business.

Modules

OTHM Level 6 Diploma in Information Technology consists of 6 mandatory units that provide a total of 120 credits:

• Advanced Computer Networks (20 credits)
• Advanced Data Analytics (20 credits)
• Advanced Database Management Systems (20 credits)
• Management Information Systems (20 credits)
• Computers, Society and Law (20 credits)
• Computing Projects (20 credits)

Entry Requirements

The learner must fulfil at least one of the following criteria to be allowed entry to the qualification:

• Relevant NQF/QCF/RQF Level 5 diploma or equivalent recognised qualification

• Mature learners (over 21) with relevant work experience

• English language at a minimum of CEFR (the Common European Framework) level B2 or an IELTS level 5.5

• UK Versity will assess the level of English language proficiency if it is not your native language.

Assessment and Verification

All units within this qualification are internally assessed via assignments and externally verified by awarding organisation. There are no examinations in this course.

Course Material

Course materials, including presentations, hand-outs, assignment briefs and e-books are made available to enrolled learners. In addition to this, the learners will also receive the course handbook and tutorials via emails, in order to support the learning.

Online Learning

The learner sets their own pace for their learning and the courses are offered on an academic – year basis. Although our tutors encourage the learners to make progress monthly, this approach is flexible.

Progressions

This Level 6 Diploma in Information Technology qualification has been developed with career progression and professional recognition in mind. Successful completion of this qualification provides learners the opportunity for a wide range of academic progressions. Learners can progress to Level 7 Diploma in Cyber Security and Information Assurance or depending on your prior qualification, the progression pathways would vary.

Certification

The Diploma is issued by the OTHM Qualification- Awarding Organisation. UK Versity Online Limited (Number DC1506132) is an accredited and approved delivery Centre for qualifications.
